RAMP.GLOBAL INTEGRATES WITH SMARTRECRUITERS TO TRANSFORM THE WAY EMPLOYERS MANAGE RECRUITMENT AGENCIES WORLDWIDE

**LONDON - 2ND OCTOBER 2023:**

Leading HRTech platform RAMP.Global has today announced its integration with SmartRecruiters, the enterprise hiring platform, to transform the way employers source, manage and pay recruitment agencies across the globe.

The integration means RAMP.Global can provide SmartRecruiters customers with a fully integrated agency management solution within the SmartRecruiters platform, allowing enterprises such as Visa, LinkedIn and Bosch to manage all agency activity in one place. This new functionality will enable customers to source, procure, engage and pay agencies anywhere in the world, ensuring the best terms, complete visibility, and control through a truly streamlined process.

Founded in 2010, RAMP.Global, which has its HQ in London with presence across the globe, is an agency management platform, saving employers significant time and money in their search to hire talent, from a truly global and diverse talent pool across a wide range of specialist skills.
